BACKGROUND PAPERS

Seamless background papers (2.72m), black white and grey are always available and are charged at £10 per metre for any paper that is soiled and cannot be re-used. Other colours can be bought in on request and are charged at £75.00 per roll.

There is available space for 3.55m wide backgrounds, these will need to be bought in if required, please contact us for more details.

Please note: this is a non-exhaustive list of available equipment, extra equipment can be brought if necessary from our suppliers; please check [Pro Centre](#) online for more details. There are also other items available that are included in the hire fee. Please contact us for more details or to discuss any other queries or specific requirements.
